Dear Dr. Panomsak Promburom

Regard to our joint research project on “Companion modeling at sub-basin scale” (RIU-PN25 Project) between Chiang Mai University and CIRAD to conduct series of participatory workshop in Laos PDR. One important objective we aim to achieve is strengthening Lao official staffs who work closely with us in carrying the workshops. I have the pleasure to invite you to organize a training session on “Facilitation training” for the NT-NKD River Basin Committee Secretariat (RBCs) staffs during 29-31 July 2013.

The expenses related to your participation in this trip will be charged to the RIU-PN25 Project. This includes local and international travel costs, professional fee as well as accommodation and meals during the training.

Sincerely Yours
